

NYSA Members,

The suspension of all soccer-related activities has been extended through at least May 15, 2020. As a reminder, suspension of all sanctioned activities means that there is **no insurance coverage** provided to any league, club, organization or person conducting or participating in soccer activities (i.e. training, practices, games). **NYSA bears no liability until the suspension of soccer related activities is lifted by NYSA.** While we are confident that our members are abiding by the suspension, we wanted to be certain that it is clearly understood that the liability for failing to adhere to the suspension rests solely with those who fail to comply.

It is not understated that these are unprecedented times and that we will get through this together. Please stay safe and healthy.

Thank you,

Nevada Youth Soccer Association
